Water is Life Academic : English & Com & Technology . The Water is Life.This is the Perfect Wedding Dessert! I just made this cake for my sister's anniversary. And, she is a very picky eater so this cake was a bit! Everyone loved it! It was extremely moist and delicious! She wanted the flavor of the sour cherry, but I didn't have any cherry pie filling so I had my cake decorator make cherry jam into the batter. They got some awesome results and it was delicious. The rose buttercream on top made it all perfect! Thanks for the recipe. :) This was SO easy to make! I made it about 4 weeks ago and just needed to dip it in chocolate since I couldn't think of anything else to do with it. It was delish! My 14-year old and I love it! :) I used homemade raspberry jam and it was delicious. I also poured some vanilla ice cream on the top, but it's not traditional. I put some lime on it for a garnish. I used the Ultimate Mini Cakes recipe. Delicious! I've made this cake a couple times since it came out of the oven. It's moist and light and delicious! The other time I made it, I used the vanilla cake mix and it was delish! I also made the jam into frosting and added some coconut to it. I used pink frosting since that's what I had, but the strawberry frosting works great too! I always like to add a layer of whipped cream or vanilla ice cream between the cake and the frosting. It helps keep the cake from getting soggy and it also looks nice! That looks AMAZING! The best cake I have ever eaten. The perfect amount of sweetness, the perfect amount of texture and the perfect amount of fluffiness. I would love to make this for my birthday party! I think I am going to make it today and have it as my birthday cake. It looks easy enough and the whole family could make it! We will be bringing it to my cousin's bridal shower. I made this cake for my husband for his birthday and he loves it. I got the idea for the jam from Pinterest and it was perfect. He said it was the best cake he has ever had. I used the raspberry jam instead of the 82157476af
